

## **WARRANTY AFTER COMPLETION**

Conwed Designscape hereby agrees to remedy any defects due to faulty materials or workmanship appearing in acoustical wall or ceiling products manufactured by Conwed Designscape within a period of **2 years** from the date of final acceptance of work. Our liability is expressly limited to replacement of defective goods.

In addition to the above, the Eurospan Ceiling System is warranted to remain stable, and not loose its form due to aging for a period of **10 years** after final acceptance of work. Defects resulting from faulty overhead construction, plumbing, ventilation systems, or impact to the face of the Eurospan is not covered under this warranty. Conwed Designscape will replace any Eurospan fabric, that has a failure of its inherent physical properties in this time frame. This is the sole remedy under this warranty and Conwed Designscape disclaims all implied warranties, including incidental or consequential damages.
