

Foundations

CONWED

The foundation for great acoustics.

Foundations is designed for areas requiring a soft drywall look with a clean aesthetic, yet call for excellent acoustic absorption. This versatile product is wrapped in a white scrim layer, which means it can be field painted or left unfinished for a simple white drywall textured look. Use in any interior space needing quality acoustics with minimal form.

Great for: · Offices · Auditoriums · Churches · Lobbies

 <p>Noise reduction coefficient (NRC)</p> <p>0.85 – 1.10</p>	 <p>Custom shapes</p> <p>✓* <i>*all applications except baffles and ceiling tiles</i></p>	 <p>Fire rating</p> <p>Class 1/A (ASTM E84; tested at component level)</p>	 <p>Product warranty</p> <p>3 years (from date of shipment received)</p>
